Guide to Fitness & Mental Strength

Power & Stretch	30 minutes of strength training + 15 minutes of stretching
Stretch & Relax / Mobility Flow	Improve your joint mobility, body awareness, and posture through flowing, functional movements – for more lightness and stability in daily life.
Fascia Training	A functional training that aims to improve the mobility, flexibility and range of motion.
Pilates Reformer Classes THE BEAT X SUVRETTA SPA	Slow Resistance Training incorporating elements of classical Pilates and strength training on state-of-the-art customized refiners.
Yoga	For flexibility, strength, and mental balance.
Yin Yoga	A slow, passive yoga style with long-held poses. Enhances deep flexibility, regeneration and relaxation.
Ski Warm Up	Are especially great for loosening up your shoulders and hip joints.
Core & Back Training	Target exercises to strengthen the core & back muscles. Supports proper posture & prevent back pain.
Morning Flow	A dynamic sequence of traditional sun salutation activating the entire body. Boosts energy, flexibility.
Full Body Workout	Improves strength, endurance and coordination. Energizing and suitable for all fitness levels.
Sound Healing	A holistic experience that uses targeted sounds and vibrations to harmonize body, mind, and soul.
