St. Moritz is well known as the birthplace of alpine sports, and Suvretta House is the only hotel in the area with direct ski-in / ski-out access to the 350km of piste. The wide range of slopes in the Engadine Valley provide the perfect destination for children to learn how to ski. Beginner lessons take place on the hotel's own nursery slope with Suvretta Sports School – one of the largest ski schools in St Moritz – in private or as part of group classes. On site ski, snowboard and boot hire is available, as well as heated lockers to store wet clothes. At the end of the week, kids can show off their newly-acquired skills to their parents in the weekly children's ski race. While the kids are learning, parents are free to explore the extensive ski areas including Corviglia, Diavolezza and Corvatsch, as well as well-groomed cross-country ski trails. For the more advanced, thrill-seeking teens St. Moritz is also home to the Cresta Run, a world-championship bobsled run made of natural ice. Its frozen lakes host polo, cricket and horse racing on ice.
