## The six o'clocker Champagne Cocktail

This cocktail is named after the Suvretta handcrafted clock in the lobby. In 1993 the hotel's architect designed a unique clock, which was carefully handcrafted by a local cabinet maker and equipped with a precision movement by a fine Swiss watchmaker. The uniqueness of the Suvretta clock is that it has only one hand which turns from «6 to 6» twice a day.

Why not enjoying our «six o'clocker» cocktail at the Anton's Bar?
