Bergrestaurant Trutz

Bekannt ist das Bergrestaurant Trutz für seine beeindruckende Aussicht über die Oberengadiner Seenlandschaft. Diese lässt sich besonders gut auf der herrlichen Sonnenterrasse geniessen. In der gemütlichen Hütten Atmosphäre können Sie saisonale Pasta-Gerichte, Polenta oder ein frisch zubereitetes Rindstarkar geniessen. Ebenso ein Muss sind süsse Köstlichkeiten, wie Kaiserschmarrn oder Apfelstrudel.

Stefano Rivolta, Fabio Olla & das Trutz Team freuen sich auf Ihren Besuch! Täglich von 9.00 – 16.00 Uhr geöffnet.

The six o'clocker Champagne Cocktail

This cocktail is named after the Suvretta handcrafted clock in the lobby. In 1993 the hotel's architect designed a unique clock, which was carefully handcrafted by a local cabinet maker and equipped with a precision movement by a fine Swiss watchmaker. The uniqueness of the Suvretta clock is that it has only one hand which turns from «6 to 6» twice a day.

Why not enjoying our «six o'clocker» cocktail at the Anton's Bar?

Sports & Pleasure – Foot Reflexology

Foot Reflexology is a massage technique that stimulates the body's self-regulating abilities. It considers the foot as the representation of the human body as a whole: the mirror of the body. By massaging certain points on the foot, painful zones are soothed, blood circulation is improved and the body's self-healing process is activated. The deeply relaxing effect also includes the psyche. **30 min – CHF 115.- / 50 min – CHF 175.-.**
