Jewelry Exhibition «TREASURES FROM THREE CENTURIES» by Oscar R. Steffen

Unusual and distinctive treasures from three centuries are waiting to be discovered in the jewelry collection of Oscar R. Steffen. The collection brings together unique jewelry, from 1720 to 1970 — pre-owned, pre-loved, sustainable. The presented jewelry objects on display are multifaceted, valuable and unique witnesses to history.

Jewelry sales exhibition at Salon Capriccio from 9.30 am until evening. For further information please contact our Concierge.

The six o'clocker Champagne Cocktail

This cocktail is named after the Suvretta handcrafted clock in the lobby. In 1993 the hotel's architect designed a unique clock, which was carefully handcrafted by a local cabinet maker and equipped with a precision movement by a fine Swiss watchmaker. The uniqueness of the Suvretta clock is that it has only one hand which turns from «6 to 6» twice a day.

Why not enjoying our «six o'clocker» cocktail at the Anton's Bar?
