## Cocktails as a culinary experience with the «Bar am Wasser»

Cocktails as a culinary experience with the "Bar am Wasser"

Fat or milk washing is the name of the methods, ultrasonic mixers and rotary evaporators are the devices used by the "Bar am Wasser" to perfect its cocktails at Anton's Bar. The result is carrot schnapps, habañero mezcal, clarified tomato juice and rice vodka. Three courses, consisting of starter, main course and dessert - but as cocktails, of course. The "menus" differ in the strength of the drinks - high, low or no volume - so cheers!
